Galvanised

25L, Wall Bracket

The HAGS Litter Bin Oxel is one of our smaller trash bins with a capacity of 25 liters, making it an excellent fit for places with limited space. It comes as a standard in hot-dip galvanized finish but can also be offered in other colors. It is designed to combine durability, style, and convenience, making it the perfect choice for parks, playgrounds, streets, and other public areas. Made with high quality, weather resistant materials, it ensures long lasting performance, even in harsh outdoor environments. This variant has post fitting with a wall bracket.

Recycled: Made from materials that have been processed and reused instead of discarded.

Recyclable: Can be collected, processed, and turned into new products instead of becoming waste.

Renewable: Comes from natural sources that can replenish over time such as sustainably harvested wood.

Transparency is key for HAGS. Our materials come from various suppliers, therefore the Recycled, Recyclable, and Renewable percentages are shown as the maximum possible values used in the materials. As we source more sustainable materials, these numbers will change.
