25L, Wall Bracket

Poppel is an elegant and practical trash bin with a concealed bin bag that complements most environments. It is highly functional from both a user and maintenance perspective. The lid prevents birds from accessing the trash, yet it is easy to open and close with its solid handle. Poppel, which can also be combined with the Ashtray Asken, is available in black, red, and green but can also be offered in other colors. This variant has post and wall fitting, and is black. Spare or replacement parts for products certified by the Nordic Swan Ecolabel will be available for 10 years after the product is discontinued. Recycled: Made from materials that have been processed and reused instead of discarded.

Recyclable: Can be collected, processed, and turned into new products instead of becoming waste.

Renewable: Comes from natural sources that can replenish over time such as sustainably harvested wood.

Transparency is key for HAGS. Our materials come from various suppliers, therefore the Recycled, Recyclable, and Renewable percentages are shown as the maximum possible values used in the materials. As we source more sustainable materials, these numbers will change.

*We use REDUXA, a high-quality, certified **low-carbon aluminum**, produced using renewable energy (mainly hydro and wind power). Its carbon footprint is **max 4.0 kg CO₂ per 1 kg of aluminum**, which is about one-quarter of the global average (approx. 16 kg CO₂ per 1 kg). It is produced using clean energy and modern, energy-efficient technologies.
