The Spin Park Bench, designed by Lars Vejen, is a charming two seater perfect for fostering social interaction in public spaces. This compact bench, available with a fixed or spinning seat, features a comfortable backrest, armrests, and a wide wooden seat, making it an inviting spot for two. Ideal for both indoor and outdoor settings, the wooden seat add warmth and durability to any environment. As Lars Vejen describes it, "Spin is a friendship bench, creating a cozy seating spot for friends, couples, or family to connect." This variant has cast in place anchoring, is fixed, bark brown with a steel metal frame.

Recycled: Made from materials that have been processed and reused instead of discarded.

Recyclable: Can be collected, processed, and turned into new products instead of becoming waste.

Renewable: Comes from natural sources that can replenish over time such as sustainably harvested wood.

Transparency is key for HAGS. Our materials come from various suppliers, therefore the Recycled, Recyclable, and Renewable percentages are shown as the maximum possible values used in the materials. As we source more sustainable materials, these numbers will change.
