Galvanised
Straight Tin Roof

The Nova Bicycle Shelter is a durable and stylish storage solution, ideal for protecting bikes from weather and ensuring secure, organized parking in any outdoor setting. Constructed with galvanized steel posts, transparent panels and a sturdy roof, this shelter provides excellent durability and resistance to the elements, making it perfect for schools, parks, residential areas, and public spaces. We recommend adding 2 Bicycle Rack Geminis (8003537) to fit 12 bikes. Can also be used as shelter for strollers or as a station for waste sorting. The open yet structured design allows easy access and visibility, promoting a safe, convenient storage experience. Designed by Janne Wickelgren for HAGS. This variant has a straight tin roof.

Recycled: Made from materials that have been processed and reused instead of discarded.

Recyclable: Can be collected, processed, and turned into new products instead of becoming waste.

Renewable: Comes from natural sources that can replenish over time such as sustainably harvested wood.

Transparency is key for HAGS. Our materials come from various suppliers, therefore the Recycled, Recyclable, and Renewable percentages are shown as the maximum possible values used in the materials. As we source more sustainable materials, these numbers will change.

Material	kg	%	Recycled	Recyclable	Renewable
Stainless steel	0.728	0.12	90%	100%	0%
Untreated Steel	586.96	95.88	69%	100%	0%
Zink (electro-galvanised)	0.03	0	0%	100%	0%
Zink (hot-galvanised)	24.484	4	70%	100%	0%
	612 kg	100%

Please note: These warranties are applicable solely to HAGS products. Third-party items may come with their own separate warranty terms. For further details, feel free to **contact us**.

Welcome to the world of HAGS

We want to help people experience life the HAGS way. We inspire all generations to open their imaginations and explore the world through play and connection. We strive to connect people to the outdoors to harmonise with nature. We contribute to helping communities get happier and healthier through exercise. We are dedicated to ensuring safe and effortless access to boats and the sea by developing user-friendly and efficient docking systems.

But wait, there's more to our story...

...we achieve these goals through our exceptional range of play equipment, essential park and urban furniture, as well as our excellent sport and fitness equipment.

Guide to HAGS symbols

Our products are labelled with symbols showing assembly time, recommended age, inclusive play, free fall height, space required, etc. See below for the symbols used in this brochure.
