Product Information

Shade Structure Tension Sail

8052594

A tension sail, also known as a shade sail, is a versatile and stylish solution for providing shade and protection from the sun's harmful rays in outdoor spaces. It consists of a large piece of fabric or sailcloth that is stretched tautly between multiple anchor points, creating a shaded area below.

Please note: These warranties are applicable solely to HAGS products. Third-party items may come with their own separate warranty terms. For further details, feel free to **contact us**.

Welcome to the world of HAGS

We want to help people experience life the HAGS way. We inspire all generations to open their imaginations and explore the world through play and connection. We strive to connect people to the outdoors to harmonise with nature. We contribute to helping communities get happier and healthier through exercise. We are dedicated to ensuring safe and effortless access to boats and the sea by developing user-friendly and efficient docking systems.

But wait, there's more to our story...

...we achieve these goals through our exceptional range of play equipment, essential park and urban furniture, as well as our excellent sport and fitness equipment.

Guide to HAGS symbols

Our products are labelled with symbols showing assembly time, recommended age, inclusive play, free fall height, space required, etc. See below for the symbols used in this brochure.
