The Ekeby Table is a durable outdoor table, designed to complement the benches and park benches in the Ekeby series. With its timeless design, this table fits seamlessly into parks, courtyards, schoolyards, or urban spaces. Constructed from high quality materials, it offers exceptional resistance to weather and wear, ensuring long lasting use. This variant is freestanding, made with hardwood and has galvanized metal legs.

Recycled: Made from materials that have been processed and reused instead of discarded.

Recyclable: Can be collected, processed, and turned into new products instead of becoming waste.

Renewable: Comes from natural sources that can replenish over time such as sustainably harvested wood.

Transparency is key for HAGS. Our materials come from various suppliers, therefore the Recycled, Recyclable, and Renewable percentages are shown as the maximum possible values used in the materials. As we source more sustainable materials, these numbers will change.

Material	kg	%	Recycled	Recyclable	Renewable
Aluminum	0.002	0.01	0%*	100%	0%
FSC Hardwood	22.98	57.53	0%	100%	100%
Stainless steel	0.181	0.45	90%	100%	0%
Untreated Steel	16.776	42	69%	100%	0%
Zink (electro-galvanised)	0.002	0.01	0%	100%	0%
Zink (hot-galvanised)	0.003	0.01	70%	100%	0%
40 kg		100%			

*We use REDUXA, a high-quality, certified **low-carbon aluminum**, produced using renewable energy (mainly hydro and wind power). Its carbon footprint is **max 4.0 kg CO₂ per 1 kg of aluminum**, which is about one-quarter of the global average (approx. 16 kg CO₂ per 1 kg). It is produced using clean energy and modern, energy-efficient technologies.

Please note: These warranties are applicable solely to HAGS products. Third-party items may come with their own separate warranty terms. For further details, feel free to **contact us**.

Welcome to the world of HAGS

We want to help people experience life the HAGS way. We inspire all generations to open their imaginations and explore the world through play and connection. We strive to connect people to the outdoors to harmonise with nature. We contribute to helping communities get happier and healthier through exercise. We are dedicated to ensuring safe and effortless access to boats and the sea by developing user-friendly and efficient docking systems.

But wait, there's more to our story...

...we achieve these goals through our exceptional range of play equipment, essential park and urban furniture, as well as our excellent sport and fitness equipment.

Guide to HAGS symbols

Our products are labelled with symbols showing assembly time, recommended age, inclusive play, free fall height, space required, etc. See below for the symbols used in this brochure.
