Galvanised

The Rosenlund half hexagon Base Module offers a versatile foundation for creating custom casual seating arrangements to suit any outdoor space. This modular unit allows you to build a unique seating configuration with the addition of various extension modules, backrests, and elevation modules to adjust seating height. Enhance the layout with planters, trellises, and hexagon extensions for design flexibility. The Rosenlund Base Module combines style and functionality, making it a perfect choice for parks, plazas, and community spaces looking to create inviting, adaptable and customized seating solutions. Available in variety of colors to match the Rosenlund series. This variant is galvanized.

Please note: These warranties are applicable solely to HAGS products. Third-party items may come with their own separate warranty terms. For further details, feel free to **contact us**.

Welcome to the world of HAGS

We want to help people experience life the HAGS way. We inspire all generations to open their imaginations and explore the world through play and connection. We strive to connect people to the outdoors to harmonise with nature. We contribute to helping communities get happier and healthier through exercise. We are dedicated to ensuring safe and effortless access to boats and the sea by developing user-friendly and efficient docking systems.

But wait, there's more to our story...

...we achieve these goals through our exceptional range of play equipment, essential park and urban furniture, as well as our excellent sport and fitness equipment.

Guide to HAGS symbols

Our products are labelled with symbols showing assembly time, recommended age, inclusive play, free fall height, space required, etc. See below for the symbols used in this brochure.
