The Skagen inclusive Picnic Table creates a welcoming meeting spot for people of all ages and abilities. Its design offers ample leg room, making it especially comfortable for seniors and those with limited mobility. The Skagen table includes a central space for a parasol to provide shade on sunny days, enhancing comfort for outdoor gatherings. This standard model seats seven people and accommodates one wheelchair user, while custom versions with up to four wheelchair spaces are also available on request. This variant is made with HPL (High Pressure Laminate), is green with a galvanized metal frame.

Recycled: Made from materials that have been processed and reused instead of discarded.

Recyclable: Can be collected, processed, and turned into new products instead of becoming waste.

Renewable: Comes from natural sources that can replenish over time such as sustainably harvested wood.

Transparency is key for HAGS. Our materials come from various suppliers, therefore the Recycled, Recyclable, and Renewable percentages are shown as the maximum possible values used in the materials. As we source more sustainable materials, these numbers will change.
