

A large, vibrant red cylindrical pot stands on the left side of the frame. To its right, a ballerina in a black leotard and white pointe shoes is captured in a dynamic pose, with one leg extended horizontally towards the rim of the pot. A long, flowing red fabric trails behind her, creating a sense of movement. The background is a plain, light-colored surface.

pot family

GIANTO GRANDE

The largest urban pot from the collection. This big plant container also can be planted with larger shrubs and trees.

Great greenery for your city

the Gianto Grande model has great potential! No wonder, because it is as much as 160 cm - this huge, but light pot with a classic shape is a sign of significant changes in space. It will allow you to plant the largest plants, also in places without a natural substrate or just above the underground parking lot.
